The National Executive Committee shall appoint the office bearers from amongst its duly elected members in the position of Chair, Vice-Chair and Treasurer. The first EXCO meeting is scheduled for 12 January 2016.

We, at the Ground Water Division, look forward to see new initiatives and renewed efforts to grow sector recognition, participation and representation. It will also be a pleasure to offer even more to our membership in terms of value and returns! We will inform members shortly of news on membership renewal and training in the new year.
