

# GEOHERITAGE MEET AND GREET

**19 MAY 2026**

Join the GSSA Geoscience and Society Division for an interactive Geoheritage “Meet and Greet” webinar.

This event will mark the official establishment of the GSSA Geoheritage Committee and outline its priorities. Speakers across South Africa will share current and prospective projects and activities, covering topics on geoheritage and society, geotours, awareness, and the use of technology to enhance geoeducation and geoconservation.
