Egoli Branch AGM | CSIR Mining Precinct, Melville, Johannesburg | 4 December 2018 | 18:00 for 18:30

2019 is around the corner and that means it's AGM time. We'd like to use this as a platform for open discussion. What would you like to see from the Egoli Branch going forward? What resources do we need to make this happen? We'll also tell you a bit about what it took to pull off the events of 2018, and what we learnt along the way. Together we can design a fresh-idea itinerary and an innovative action plan for 2019.

If you give us an hour of your time, we'll give you a branch worth showing up for.

Kindly RSVP to egoli@gssa.org.za for catering purposes.

We're a general-interest group. Non-GSSA members are welcome.

Warmly,
Egoli Branch
