

01 October 2022

Dear Members

Membership Fees 2022

On behalf of the Council of the GSSA, I would like to thank you for your continued support and involvement with the Society.

The South African Journal of Geology (SAJG) is accessible online through GeoScience World via the member portal on the GSSA website, and we encourage all members to make use of the service. Our quarterly publication Geobulletin is also available on the GSSA website.

The option to receive a physical copy of SAJG is still available at an additional cost noted in the fees table, the higher rate partially covers printing and surface mail charges. Note that we cannot guarantee timely delivery of your printed copy of SAJG because of delays in the South African Post Office Hubs.

Voluntary donations additional to the fees are always welcome, and we gratefully thank those who have made additional donations in past years. There is a donation option on your invoice.

We encourage members to pay online on our website: www.gssa.org.za , please login to your member portal and enter your card details, it is 3D secured.

Please contact accounts@gssa.org.za for any finance related matters. Remember to check the GSSA website, the Facebook page, LinkedIn, Instagram, the weekly events reminder and the monthly newsletter for regular updates on news and events.

Craig Smith
