Mantle Tour with Associate Professor Phil Janney

The Western Cape Branch of the Geological Society of South Africa
invites you to join us for a tour of
The Messengers from the Mantle Exhibit,
currently hosted at
Lourensford Wine Estate in Somerset West, Western Cape.

The exhibition consists of 13 sections covering the Structure of the Earth, Kimberlites, Peridotites, Eclogites, Metasomatism, Megacrysts, Diamonds, Exploration, Alluvial Diamonds, Marine Diamonds, History of Diamond Mining, History of the Mantle Room and Unsolved Mysteries. It highlights the specimens and science behind a unique research collection of mantle rocks delivered to South Africa's surface over a long period of geologic time in episodes of explosive kimberlite volcanism.

Entrance: Free*

*Please note that although there is no entrance charge, the venue may charge a parking fee.

PLEASE RSVP TO ADMIN.WC@GSSA.ORG.ZA
