Meeting ID: 876 0063 0333

Passcode: 415869

There will be regular reminders for all the above presentations but please remember that the above presentations will take place on a Friday at 10.00am during May 2021.

**Post-presentation Field-trips** – The four May presentations will focus on the geology of the Overberg and Western Cape, and there will be a short fieldtrip following each Friday presentation (Covid circumstances permitting). Field-trips will set-off between about 11.30 – 12.00am and please advise Gert Classen, Hennie Greeff, or John Bristow if you will be participating in any of the trips. The field-trip program is as follows:

- 7 May – Clarence Drive (starting at Harold Porter Botanical Gardens parking area in Betty's Bay)
- 14 May – Hermanus Cliff Path (starting at Gearings Point parking area in Hermanus Village)
- 21 May – Bokkeveld and other geology of the Hemel and Aarde Valley (starting at The Wine Village parking area – R43)
- 28 May – Geology of The Kelders and Ganzbaai area (starting at the parking area at The Kelders Caves visitors' entrance).

**Field Trip Attendees** – please kindly advise Gert Classen (083 602 5254), Hennie Greeff (082 569 5314), or John Bristow (082 571 3004) if you will be attending the fieldtrips so that we contact you if necessary, and ensure we are able to find you at the meeting points. The field trips will for most part involve road-side stops and and/or short walks to outcrops. For the more adventurous explorers there are opportunities to explore key exposures so wear decent footwear and bring a walking-stick!

**Kind regards, Gert, Hennie and John**
