

100 YEARS OF THE DISCOVERY OF THE NAMAQUALAND DIAMONDS – SOURCE TO SINK

11 - 20 MARCH 2025

Fieldtrip VIP message

For all delegates contemplating joining the fieldtrip, please note that we will be visiting a number of operating diamond mines on which security is a significant part.

- On-mine (internal) security clearances will be required for Kleinzee, Alexkor and Namdeb – the relevant forms will need to be completed by the end of January 2025. These will be mailed in Q4/2024.
- Namdeb is located in Namibia – a valid passport will be required by all delegates. It is the delegate's responsibility to ensure that their travel documents are in order.
- The restricted areas permit (RAP) for entrance into the Namdeb onshore marine diamond mining operation will require a police clearance certificate, not older than one year. It is any potential delegate's responsibility to acquire this certificate timeously. Currently, in South Africa, such certificates can take 4-6 months, due to the backlog at the SAP. PLEASE APPLY FOR YOUR CERTIFICATE in good time – you will not be able to enter the minesite without it.
